

# Day Camp Registration Directions

Thank you for sending your child to camp at Greenbriar Riding Academy. We are looking forward to a fun filled summer! Camps are Mon, Tue, Thu & Fri 8am-noon for all levels except Pee Wee Pony Camp which is Noon-3pm. The cost for camp is \$340.

## Camp Levels

The camp levels are progressive in the following order; Bronco, Mustang 1, Mustang 2, Trotter 1, Trotter 2, Equestrian1, Equestrian 2, Horsemaster & Trainer. Participation at any level beyond Bronco requires passing the previous level. Bronco camp is the only camp designed to be accomplished in one week. All other camps may require more than one week to complete. At Greenbriar our ultimate goal is a mastery of skills and knowledge, it is not just about *passing* the level. Everyone will learn at their own pace and we want students to feel successful in what they are learning. Each level of camp has its own color of T-shirt if the student chooses to purchase one, they are not required. The camp T-shirt order form is at the bottom of the Registration form. The cost is \$15/shirt.

## What Students Need To Bring To Camp

Students are should wear long pants & boots with at least a half inch heel. They should also bring a snack and water bottle to camp. Greenbriar can provide helmets and riding boots for most sizes.
